Manuella Nyasha Gaspare

A highly motivated woman who is goal orientated and a team player. Well-disciplined and interact excellently with colleagues and this is evident because was given several leadership roles during the period at High School as well as University. The ability to do multiple tasks at a single time is one of my abilities because I am capable of completing these tasks with minimal or no supervision. A graduate from the University of Venda holding a Bachelor of Arts in International Relations, Honors degree in Gender Studies and a Masters Degree in Gender studies
